**ADMINISTRATIVE LAW JUDGE'S RULING
DIRECTING LETTER TO BE PLACED INTO THE
ADMINISTRATIVE RECORD**

On February 21, 2002, a letter from the California Department of Water Resources (DWR) was sent to Commission President Loretta M. Lynch. This letter identified certain adjustments which could be made to DWR's retail revenue requirement for 2001-2002. The adjustments discussed in the letter were based on DWR's review of parties' comments on its November 5, 2001 revenue requirement. Copies of the DWR letter was placed on the Escutia table for access by the parties prior to the Commission vote on the agenda item implementing the DWR revenue requirement at its public meeting on February 21, 2002. The adjustments identified in the DWR letter were discussed and DWR's revenue

requirement was adjusted accordingly by the Commission prior to the vote. Agenda Item H-3a was adopted by the Commission as Decision (D.) 02-02-052.

This letter is a part of the record of this administrative proceeding, as it was made available to the parties and discussed prior to the Commission's consideration of DWR's revenue requirement. However, it has not been formally placed in the record. Therefore, by this ruling, the letter, a copy of which is attached to this ruling, is formally placed into the administrative record for this proceeding.

IT IS RULED that:

1. A copy of the letter from the California Department of Water Resources (DWR) dated February 21, 2002, attached to this ruling as referenced above, is hereby placed into the administrative record for this proceeding.
2. The Commission's Docket Office is directed to accept the attached letter as filed, effective as of February 21, 2002, and a copy will be placed in the Formal Files for this proceeding.

Dated March 4, 2002, at San Francisco, California.
